SMART LIBRARY IN NEWTOWN

NEWTOWN, being a 'smart city' has been endowed with almost every amenity one needs for a holistic living. Not only that, the city also ensures better management and efficient use of such amenities through application of latest technology.

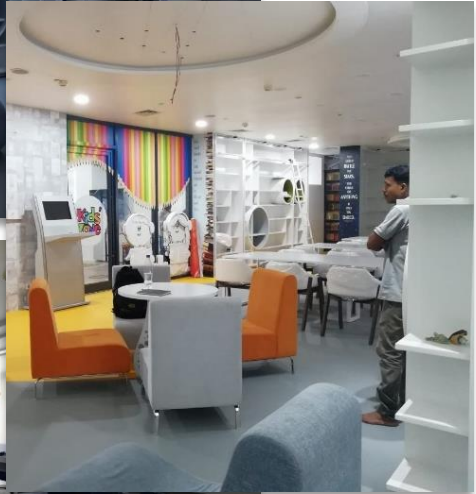

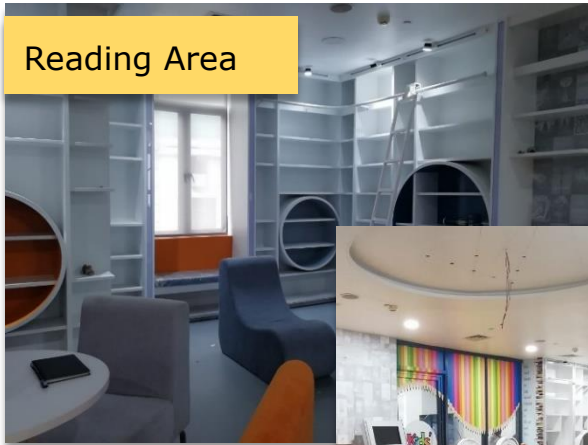

Newtown 'smart library' is one such landmark initiative.

The 'Smart library' is a state-of-the-art facility and equipped to maintain its day to day activities without involvement of any manpower, if so required. The library is an ICT-enabled facility to maneuver the daily processes like lending/ borrowing of books, etc. electronically through its 'self check-in / check-out/drop area'.

The library has been set-up at the Second and Third floor of Nazrul Tirtha.

What does 'Smart Library' have in store

Reading Area

Kids' Zone

Exhaustive information deck

Self-check-in and check-out arrangement at 'issue' and 'drop' area

Space for educational programmes/workshops and group activities, Group Study Rooms

IT/ Audio- Visual Rooms

E-Catalogue

Career Guidance and advice programmes on university extension courses

Foreign Language Courses

The Library helps in:

- Acting as a community space for the citizens to learn, interact, and spend a good leisure time
- Developing a community place for senior citizens
- Inducing children to think creatively with smart tools and infrastructure at the kids' zone
- Attracting people across Kolkata, owing to its prominent location and connection with other parts of the city
